

HEALTH, SAFETY & ENVIRONMENT (HSE) POLICY STATEMENT

Zinsolar Engineering Sdn Bhd is committed to ensuring the health, safety, and well-being of all employees, contractors, clients, and other stakeholders involved in our operations. We are also dedicated to protecting the environment and promoting sustainable practices in every aspect of our business.

To fulfill this commitment, Zinsolar Engineering Sdn Bhd shall provide a safe workplace by identifying, assessing, and mitigating risks associated with all work activities to prevent accidents, injuries, and occupational illnesses.

Additionally, we will promote environmental stewardship by integrating environmentally responsible practices into all projects, reducing waste, conserving resources, and minimizing pollution.

We ensure compliance with all applicable laws, regulations, and industry standards related to health, safety, and the environment.

Our company is dedicated to engaging and empowering employees by providing regular HSE training and resources to foster a proactive safety culture where employees feel empowered to prioritize health and safety.

Furthermore, we aim to continuously improve our HSE performance through regular audits, reviews, and stakeholder engagement.

This policy applies to all employees, contractors, and visitors at Zinsolar Engineering Sdn Bhd's work sites and offices. Everyone is responsible for upholding these principles to ensure a safe, healthy, and sustainable working environment.
